INFORMATION AND CONDITIONS

All traditional album photographs will be processed to the highest possible standard by a professional lab. 'Book Style' albums are printed on glossy paper and presented as you would see photos in a glossy magazine or book.

Your preview photographs will be presented on your very own password protected website. This website will be on line for a period of six months and will be discarded thereafter. You can if you wish, extend this period for a small extra charge.

Your preview website gives you the opportunity to view all the photographs taken on the day, watch a slide show with background music, see how your photos look in black & white or sepia, order prints and book style albums.

Extra prints will be processed by a professional lab.

Life Style photos: a selection of natural or posed shots taken at a location of your choice in the North East area. From this selection you will choose one (A4 size) photograph which will be presented in a frame with a border mount.

Images will be captured on professional digital equipment, downloaded and immediately backed up on external hard drive and disc for safety.
