*Wedding Fayre Special Offer*

*Try Before You Buy*

*Do you want to see if your wedding photographer has the skills and attitude to record your big day?*

*Terry Mattress Photography is offering this chance for you to do exactly that for all attendees at the Wedding Fayre. For £75 you will get a full hour on location with one of our photographers who will take unlimited photographs, hand edit and present all the images on a secure, bespoke website for your remote viewing. From these, you can select one image to be presented as an A4 print for you to keep as a record of the shoot.*

*Sounds like a good Deal? That is not all!*

*If you go on to book Terry Mattress Photography as your wedding photographer, we will discount your wedding package price by £75 so essentially, you get that trial shoot for free!*

*But wait, there is more! If you also choose to add a Hi-Res DVD to your wedding package, we will include shots from this trial shoot on your DVD as well - again, for free.*

*What are you waiting for, try before you buy now!*
